District Service Policy

Section D Geographic Area Served

This section should include an area map which shows the Districts Certified Service Area, consequently the District should make sure that its service area corresponds to its Certified Area. It is the responsibility of the District to properly file a map showing its service area with the TNRCC. This copy of the Commission's official service map will serve as documentation in the event of future disputes over service areas.

CERTIFICATE OF CONVENIENCE AND NECESSITY

To Provide Water Service Under V.T.C.A., Water Code and Texas Natural Resource Conservation Commission Substantive Rules

I. Certificate Holder:

Name: County Line Special Utility District
Address: 131 S. Camino Real, Uhland, TX 78640

II. General Description and Location of Service Area:

The area covered by this certificate is bordered on the west by IH-35, on the south by Hays County Rd. 158 and FM 1966, on the east by Caldwell County Rd. 228, and on the north by FM 2001 and Hays County Rd. 127. This area is in Hays and Caldwell County, Texas.

The certificate holder is authorized to provide water service in the area identified on the Commission's official service area map, WRS-255, maintained in the offices of the Texas Commission on Environmental Quality, 12015 Park 35 Circle, Austin, Texas with all attendant privileges and obligations.

This certificate is issued under Application No. 30999-C and subject to the rules and orders of the Commission, the laws of the State of Texas, conditions contained herein and may be revoked for violations thereof. The certificate is valid until amended or revoked by the Commission.
